PEI

17th Letter of Ancient Hebrew Alphabet

PEI, more than any other letter, represents the power of Adam's speech.

Human speech sets and releases spiritual energy into the universe - an energy setting both visible and invisible events into motion. Therefore, let no unwholesome talk come out of your mouth except that which builds up. (Eph. 4:29) Cheerful, supportive words have that power.

PEI also points out times not to speak at all - that silence can be a virtue. To shame a person in public is akin to murder.

Human speech has power to open pathways and entries into new realms of experiences. There is tremendous force inherent in human speech. That way the Word, Jesus, said, "I am the Way, the Truth and Cause Life! No man enters the Kingdom except by Me (thru the word spoken). (A wise person does not speak before one who is superior in wisdom.)
