**Ayin** - The 16th letter of the Hebrew alphabet is **Ayin**. Perception and insights, and the gift of discernment is interacted. As we grow up the Tree of Life, we gain greater awareness of the interconnection of all things and the hidden patterns of meanings underlying all events in every-day life. A wise person is one, who by the power of God in us through meditation, can attain to the perception of profound mysteries of which cannot be completely expressed in human words.

Every form in the universe, including each of us, are regarded as the Tree of Life because Jesus is the Tree of Life, the Word; and all things were made and exist because of the work of Christ Jesus.

The higher spiritual consciousness, the more we experience the frequency or energy of our God!

Why worry when you can sow!
