

Debt Cancellation

5 Stones to Throw at the Giant

May 23-24, 2009

- Goliath** = Hebrew: *Galab* - meaning to denude or strip away
- Stone 1** Heart belief that God does cancel debt.
- Stone 2** Stop making debt. Work to pay off debt. All action comes from the heart. God looks only at the heart and sees you doing your part so He can do the impossible.
- Stone 3** Be faithful to give tithes and offerings to the church. Jesus died for the church. Tithes and offerings have the power and energy to change your soul.
- Stone 4** Place the angels on notice by confessing aloud, "Debt Be Gone!" *Psalms 103:20. The Angels do the bidding of God's Word.*
- Stone 5** Repent, turn from debt and give a memorial gift that declares your intentions large enough to cause you to remember the declaration, "Where your treasure is there also is your heart." *Acts 10:4 "Your prayers and your gifts have come up as a memorial before God.*

**Memorial means memorable,
to bring to remembrance for you and God.**
